GOVERNMENT OF MADRAS

Memorandum No.10, Public Health D/7--5--1948.

Sub: Licence - Temporary Cinemas - Issue of licence under the Places of Public Resort Act - Instructions issued -

Ref: From the Inspector of Municipal Councils and Local Boards, L.Dis.No.48088-47 dated 19-3-1948.

Under Rule 25(7) of the rules framed under the Places of Public Resort Act, the period for which a temporary licence granted to a show or travelling cinema shall be in force, shall not, except with the special sanction of the Government, exceed three months or four months respectively, in the aggregate within any continuous period of 12 months. The licensing authority can however, grant licences for touring cinemas in the Prohibition districts, for a period of six months, without the sanction of Government.

2. It has been represented that, in some cases, the shows or touring cinemas could not be exhibited for some days within the period of three, four or six months of the licences granted by the licensing authorities, owing to delay in obtaining licences under the different enactments and question has been raised whether, in such cases, the licensing authorities can proportionately extend the period of the licences under the Places of Public Resort Act, by the number of days on which the show or travelling cinema could not be exhibited, subject to the condition that the period in the aggregate does not exceed three, four or six months, as the case may be.

3. Necessary authorities are informed that it is immaterial whether the licensee exhibits or not the show or travelling cinema within the entire period of the licence granted by the licensing authority and that once the period of the licence granted or renewed by the licensing authority exceeds the time limit of three, or four six months, the licensing authorities should obtain the sanction of Government for extending the period of the licence. He has no power to prolong without such sanction, the life of the licence by the number of days on which the show or a travelling cinema could not be exhibited.
